Study Skills

Key takeaways:

- **Best chance of success**
- **Combination of Independent study**
- **Feeling confident**

SIXTH FORM STUDY ROOM 1 | SIXTH FORM CENTRE

Independent Study

- Greater Challenge
- Accelerated pace of learning
- Develop study skills
- Create good habits
- Establish routine

Studying on Site

50 school periods a fortnight.

If studying 3 A levels/BTECs:

27 x timetabled lessons

3 x 10th hour lessons

4 x enrichment hours

16 hours of independent study a fortnight

10 - 12 hours on site

Studying at home

4-6 hours working from home

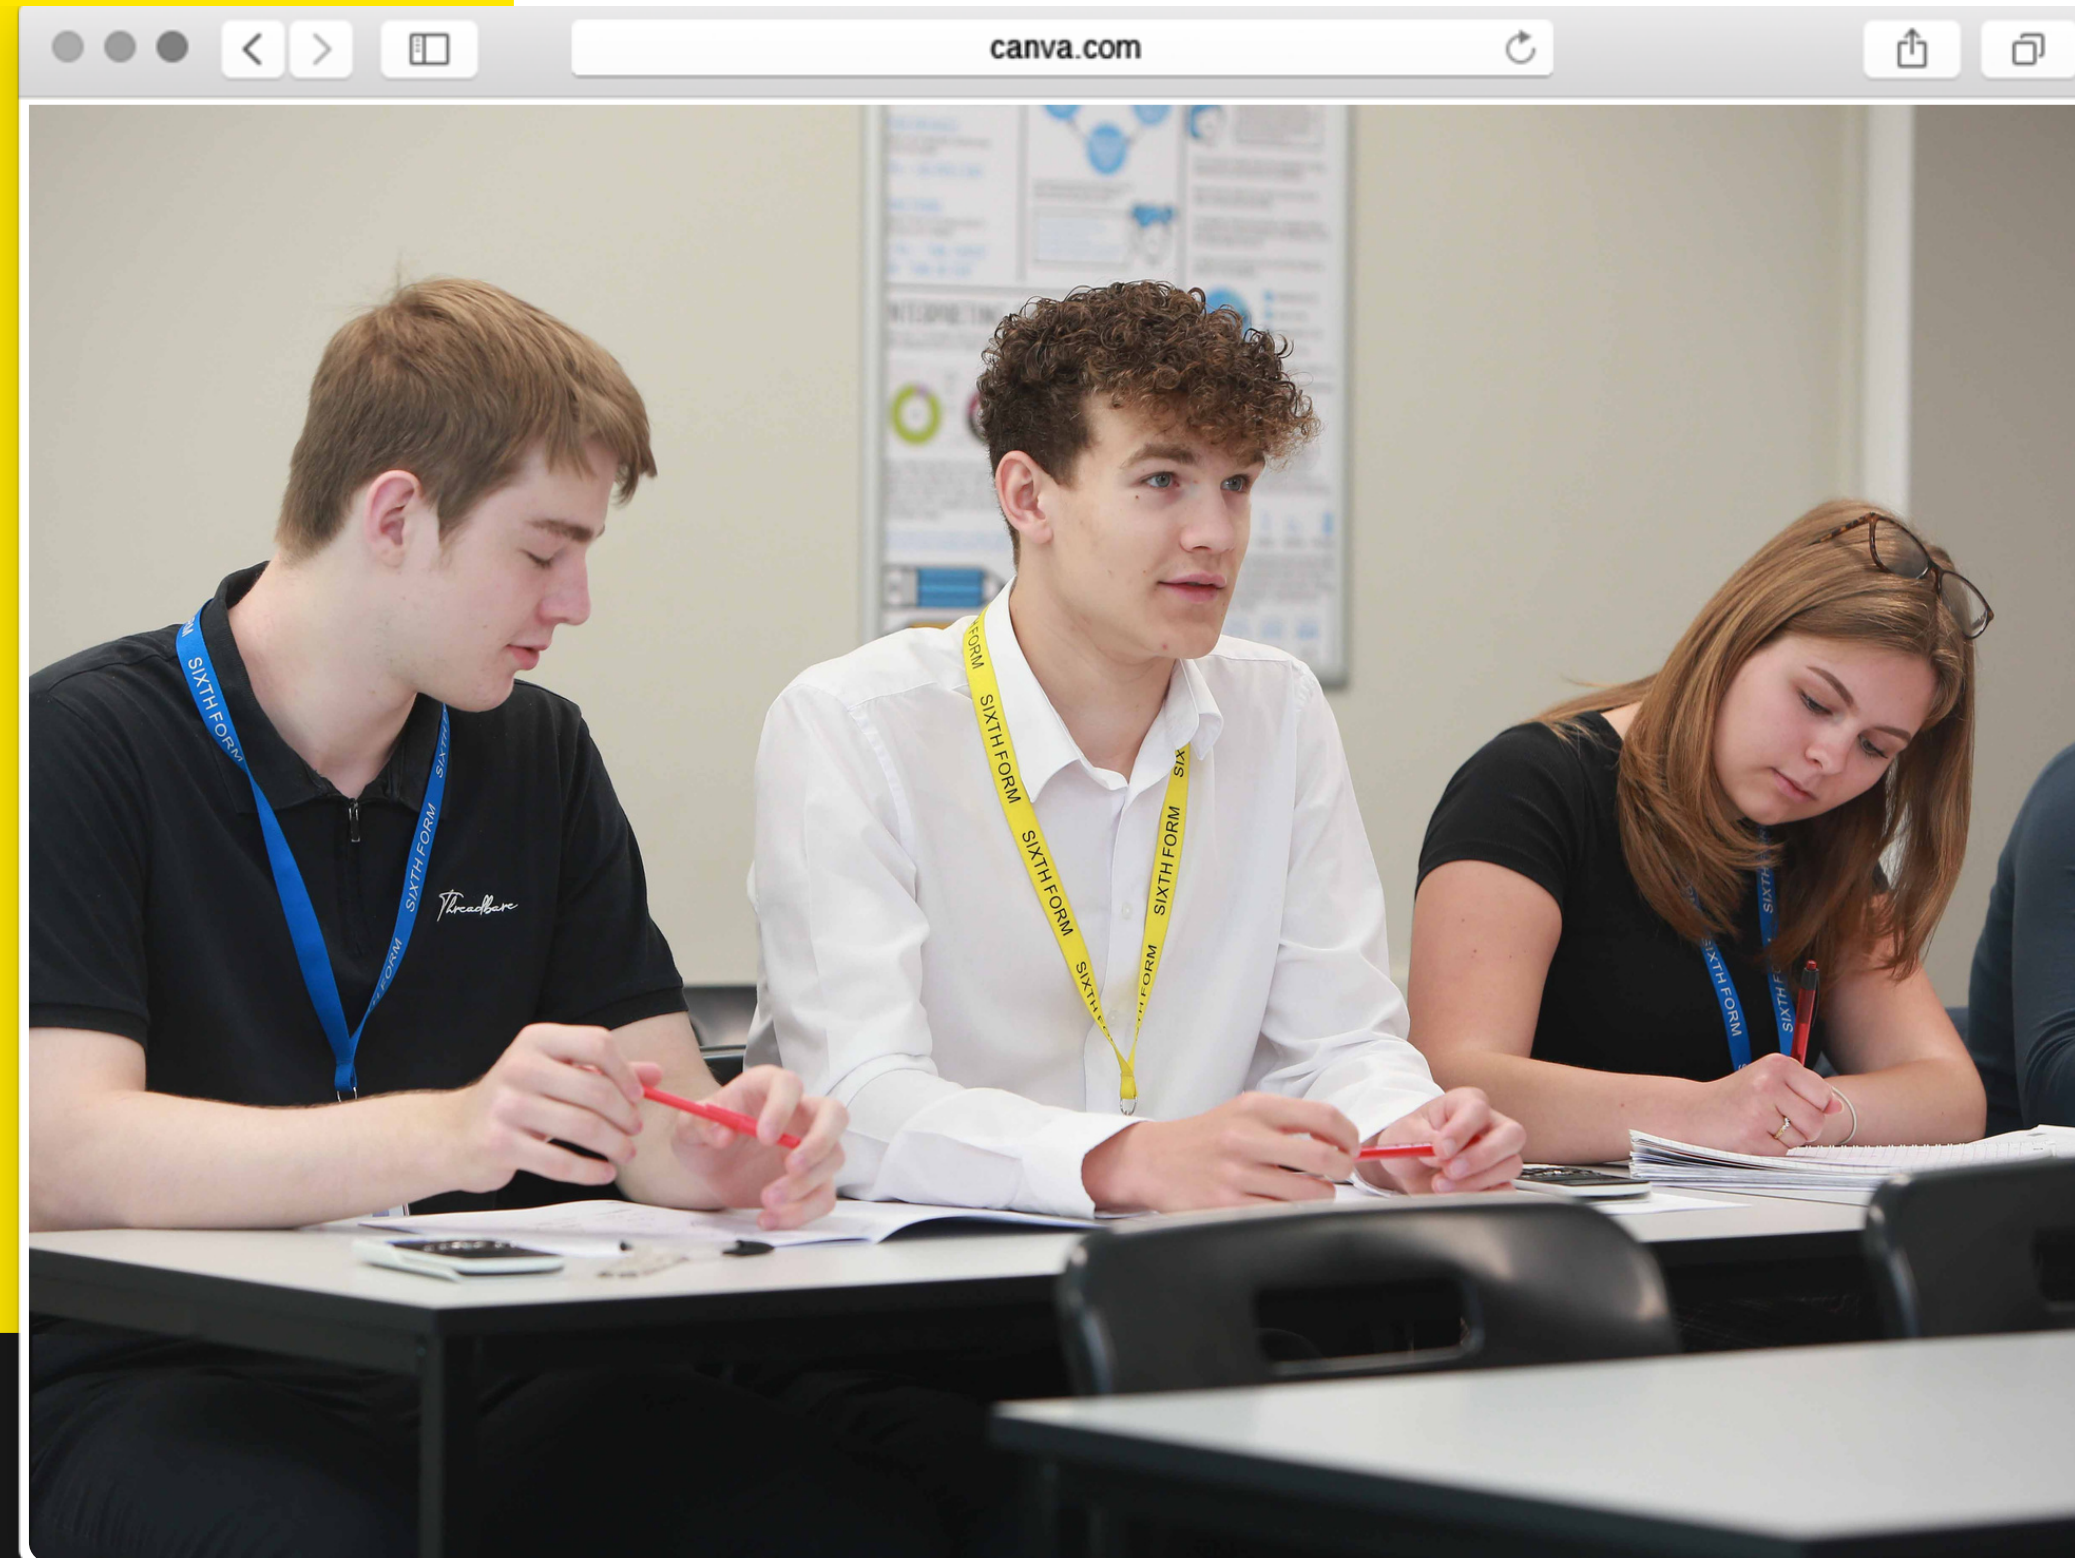

- **Time management**
- **Organisation**
- **Motivation**
- **Resilience**
- **Perseverance**

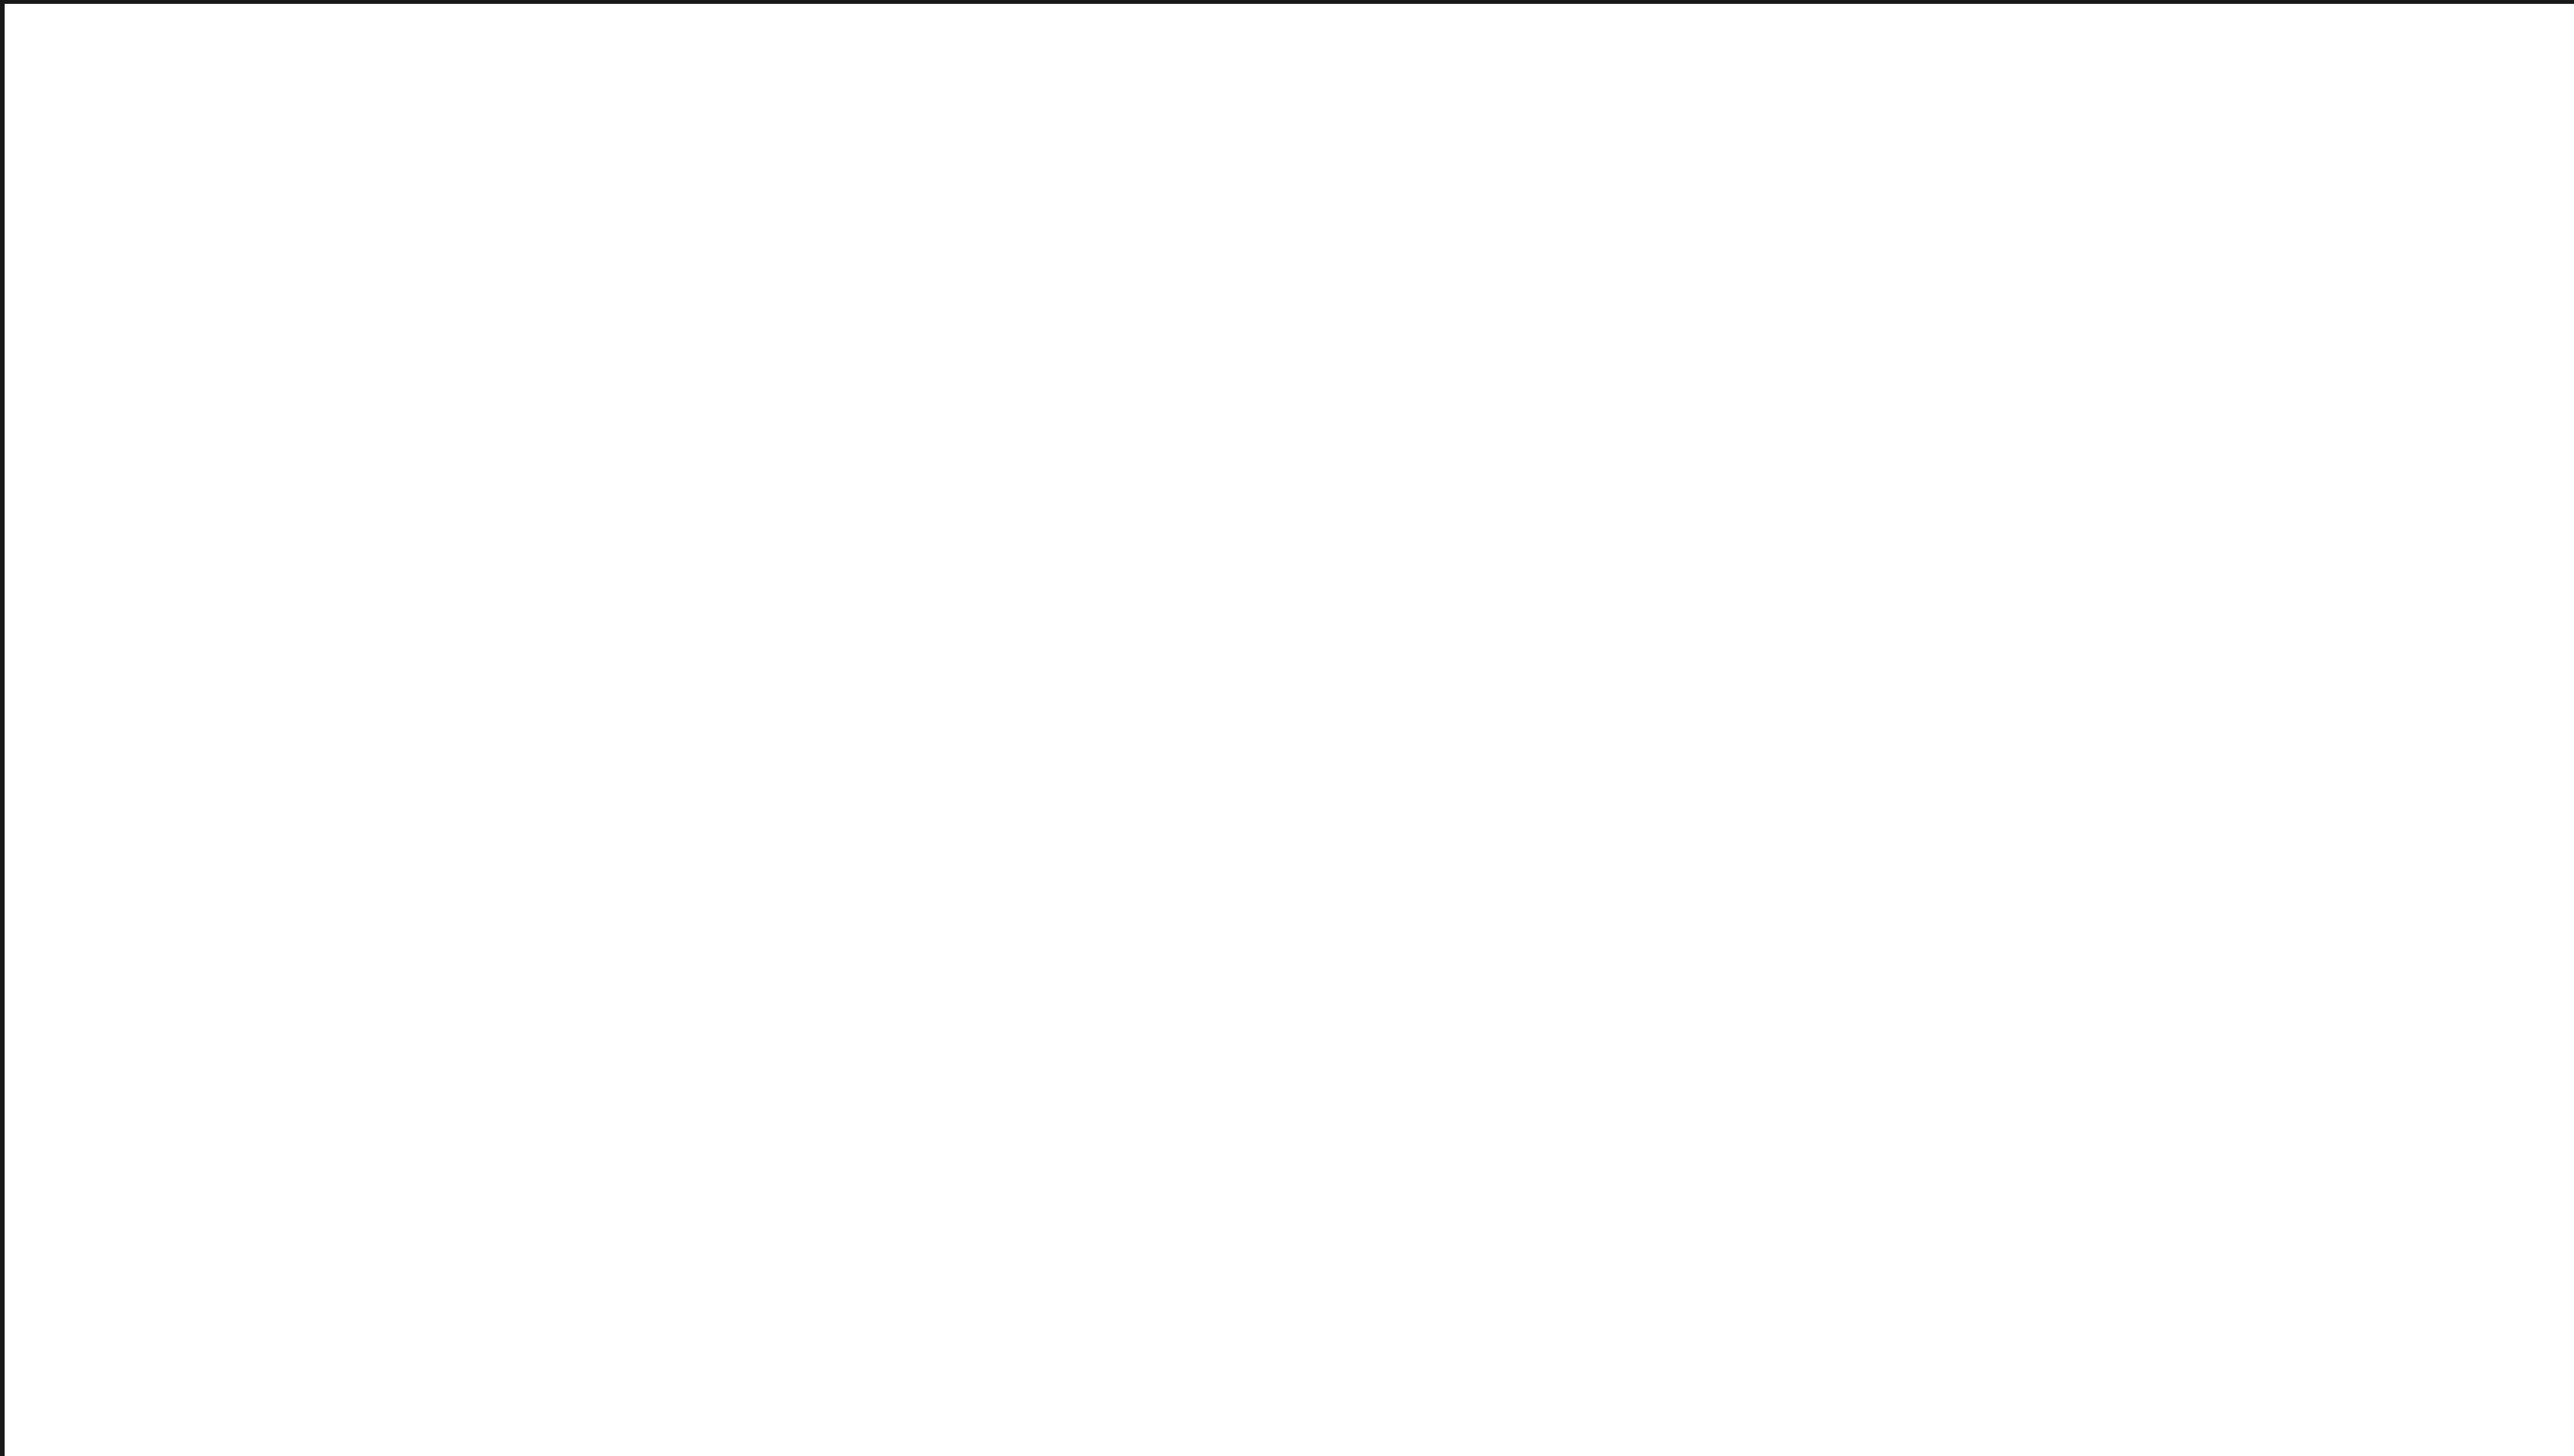

Students should be aiming towards 6 hours of study per subject out of lesson per week.

Students Perspective

Organisation
Good Note taking
Group Study
Interleaving
Exam Practice

Advice for Parents

How can you Support? →

- Take an interest
- Carefully judged 'nudges'
- Allow independence
- Help create a quiet space
- Use journeys or alternative time to allow students to share

- Encourage good habits – Little but often – with frequent breaks
- Ask students to share folders and support and praise organisation
- Being trusted to study

- Support management of distractions
- State evidence rather than judgement
- Open dialogue
