

Required from September 2024

(an Easter start would be considered)

House Leader TMS / UPS Plus TLR 2B

We are delighted to be able to offer the opportunity for a dynamic and innovative House Leader to lead one of our four Houses.

The successful candidate will join the Wider Curriculum Team who are fundamental in embedding the ethos and values of the school, as well as providing engaging opportunities for students to compete against each other in a variety of competitions throughout the year. Our House system seeks to inspire and motivate our students to be the best that they can be in all aspects of school life.

This role will provide the successful candidate with an opportunity to really make a difference.

Details of the role and the skills required are outlined in the information pack provided. We would welcome applications from both internal and external applicants. External applicants should state their teaching specialisms within their letter of application - Maths and Science are desirable but not essential.

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong positive reputation. On interview we ask candidates for their impressions of the school and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly and welcoming the school is. We are on the journey to outstanding and developing our sixth form provision is a school priority over the next few years.

We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working together and sharing the very best practice. This was very much recognised in our most recent Ofsted Inspection.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.

The Latimer Arts College values the diversity of our workforce and welcomes applications from all sectors of the community.
