1. Aims

- 1.1 The College is committed to meeting our obligation with regards to school attendance through our whole-college culture and ethos which values good attendance and punctuality, including:
 - Promoting good attendance and punctuality
 - Reducing absence, including persistent and severe absence
 - Ensuring every student has access to the full-time education to which they are entitled
 - Acting early to address patterns of absence
 - Building strong relationships with families to ensure students have the support in place to attend school
- 1.2 The College is committed to ensuring improving attendance is everyone's business. The College understands that improving attendance cannot solely be the preserve of a single member of staff, or organisation, it must be a concerted effort across all teaching and non-teaching staff in the College, the governing body, the local authority, and other local partners.
- 1.3 We believe the foundation of securing good attendance is that the College is a calm, orderly, safe and supportive environment where all students want to be and are keen and ready to learn.
- 1.4 However, the College acknowledges some students find it harder than others to attend school and understands that the barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual students and families. Therefore, at all stages of improving attendance, the College and its partners will work with students and parents and carers with the aim of removing any barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 1.5 Securing good attendance will not be seen in isolation, and effective practices for improvement will involve close links with the colleges focus on the curriculum, behaviour, special educational needs support, pastoral and mental health and wellbeing, and effective use of resources, including the Pupil Premium.

2. Legislation and guidance

- 2.1 This policy meets the requirements of the Department for Education's (DfE), <u>working together to improve school attendance</u> and refers to the DfE's statutory guidance on <u>school attendance parental responsibility measures</u> (Appendix 2). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:
 - Part 6 of The Education Act 1996
 - Part 3 of The Education Act 2002
 - Part 7 of The Education and Inspections Act 2006
 - The Education (Student Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)
 - The Education (Penalty Notices) (England) (Amendment) Regulations 2013
 - This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

3. Strategies for promoting attendance

- 3.1 At the College, we believe in developing good patterns of attendance and we set high expectations for the attendance and punctuality for all our students from the outset. It is a central part of our College's ethos and values. We recognise the connections between attendance, attainment, safeguarding and wellbeing.
- 3.2 To help us all to focus on this we will implement a range of strategies to promote good attendance and punctuality, for example:
 - Setting aside time in Personal Development sessions for students to monitor their attendance weekly with a Personal Attendance Tracker
 - Promoting the importance of attendance in Personal Development Sessions and assemblies
 - Celebrating excellent attendance by displaying and reporting individual, class and House attendance levels
 - Rewarding individuals and groups for good or improving attendance
 - Giving parents and carers information about the importance of good attendance and punctuality in our newsletters
 - Reporting attendance levels to parents and carers on progress tracking reports
 - Contacting all parents listed on College admissions forms should their child's attendance fall below the College's target for attendance

4. Roles and responsibilities

4.1 The Governing Body

- Implementation of this policy at the College
- Monitoring school-level absence data and reporting it to Governors
- Supporting staff with monitoring the attendance of individual students

4.3 The Designated Senior Leader Responsible for Attendance

The designated senior leader is responsible for:

- Leading on attendance across the College

4.5 Teachers

Teachers are responsible for recording attendance via their registers on SIMS on a daily basis at the start of all lessons and Personal Development sessions, using the correct codes (present/absent or late).

4.6 Student Services

The Student Service team will:

- Record calls/emails/texts from parents/carers about absence on a day-to-day basis and record it on the College attendance recording system (SIMS)
- Make contact with parents/carers regarding absence where no information has been received
- Monitor student level absence daily/weekly
- Provide absence data analysis and reports to relevant staff to support and promote good attendance

4.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends College every day on time
- Call the College to report their child's absence before 8.00am on the day of the absence and each subsequent day of absence, with the reason for the absence and advise when they expect their child to return.
- Provide the College with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the College day, but in the event that this is not possible, inform the College of the child's appointment in advance so the College is able to permit the student to leave.

4.8 Students

All Students are expected to:

- Arrive at College on time (8.25am and 1.00pm)
- Attend every timetabled session on time
- For Sixth Form students, sign in and out according to their timetables.
- Take an active part in monitoring their own attendance in personal development time and fill in the Personal Attendance Tracker

5. Recording attendance

5.1 Attendance register

5.1.1 The College will keep an attendance register, and place all students onto this register.

- 5.1.2 The College will take the attendance register at the start of the first session of each school day and once during the second session.
- 5.1.3 The register for the first session will be taken at 8.30am and will be kept open until 9.00am. The register for the second session will be taken at 1.00pm and will be kept open until 1.30pm.
- 5.1.4 It will mark whether every student is:
 - Present
 - Attending an approved off-site educational activity
 - Absent
 - Unable to attend due to exceptional circumstances
 - Late
- 5.1.5 Any amendment to the attendance register will include:
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

(See Appendix 1 for the DfE attendance codes.)

- 5.1.6 The College will also record:
 - For students of compulsory school age whether the absence is authorised or not
 - The nature of the activity if a student is attending an approved educational activity
 - The nature of circumstances where a student is unable to attend due to exceptional circumstances
- 5.1.7 The College will keep every entry on the attendance register for 3 years after the date on which the entry was made.

5.2 Unplanned absence

- 5.2.1 A student's parent/carer must notify the College of the reason for the absence on the first day of an unplanned absence by **8.00am** or as soon as practically possible by one of the following communication methods:
 - Send an email to: absence@latimer.org.uk
 - Send a text to: **07444 851655**
 - Ring the 24-hour absence answer line on 01536 720300
- 5.2.2 A parent/carer needs to state the child's name, tutor group, reason for absence and expected date of return and contact the College at the start of each subsequent day of illness.
- 5.2.3 Where parents/carers do not notify the College of the child's absence, the College's safeguarding procedures require us to try and contact parents/carers via text or phone call to ascertain the reason for absence. If contact cannot be made, the College may visit the home address to conduct a safeguarding visit.
- 5.2.4 The College will mark absence due to illness as authorised unless the College has a genuine concern about the authenticity of the illness.
- 5.2.5 If the authenticity of the illness is in doubt, the College may ask the student's parent/carer to provide medical evidence, such as a doctor's note, copy of prescription medication,

- appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.
- 5.2.6 If the College is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

5.3 Planned absence

- 5.3.1 Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the College in advance of the appointment.
- 5.3.2 However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of College for the minimum amount of time necessary.
- 5.3.3 The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Section 5 indicates which term-time absences the College may authorise.
- 5.3.4 The College expects all correspondence about absences to be directed to Student Services. Where written communication is sent into the College, the student should hand this in at the Student Services Reception at the start of the College day.
- 5.3.5 Where there is a need for a student to leave the College site during the day, the College must have notification of this from a parent or carer. A student will not be permitted to sign out without prior notification. Whilst the College will do the best to try to contact a parent or carer, if they are unable to do this, a student will not be permitted to leave.
- 5.3.6 Parents and carers do need to understand that should the College not have been made aware that a student has an appointment, this may result in a delay in them leaving.
- 5.3.7 The College will not accept a text message on a student's phone as notification.

5.4 Lateness and punctuality

- 5.4.1 Students who arrive late to registration are recorded as L (late before registration closes). First registration takes place at the start of Lesson 1 at 8.30am. Students are expected to be on the College site by 8.25am to avoid them being late for registration.
- 5.4.2 Staff will supervise the entrances to the College ("late gate") and record students who arrive late. Students who are late will receive a detention in line with the College Behaviour for Learning Policy and parent/carers will be notified. Persistent late arrival will be challenged by form tutors and could result in parents/carers and students being asked to attend an attendance meeting with the Attendance Officer.
- 5.4.3 The College operates a Late Gate Monitoring System from 8.20am to 8.45am. The member of staff on duty at Late Gate will note the details of any student who is late, sign them in and then the student will report to their lesson. If a student arrives after this time, they must sign in at Student Services Reception and will be challenged about their reason for their late arrival: this will be followed up with contact to parents and carers.
- 5.4.4 Students are expected to be punctual to all lessons and if they are late for a lesson, they may receive a lunchtime detention in line with the College Behaviour for Learning Policy and parent/carers will be notified.

5.5 Following up unexplained absence

- 5.5.1 Where any student we expect to attend College does not attend, or stops attending, without reason, the College will:
 - Text/call the student's parent/carer on the morning of the first day of unexplained absence
 to ascertain the reason. If the College cannot reach any of the student's emergency
 contacts, the school may contact the police, MASH, other external services working with
 the family.
 - Identify whether the absence is 'approved' or 'authorised'
 - Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained this will be no later than 5 working days after the session
 - Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If the absence continues, the College will consider involving the Education Inclusion Team (EIPT).

5.6 Reporting to parents/carers

- 5.6.1 The College will regularly inform parents about their child's attendance and absence levels in the following ways:
 - Attendance data is available daily via the College School Gateway communication system and on Satchel One
 - Attendance updates are sent on College reports
 - Attendance Letters
 - Students will monitor their attendance weekly with a Personal Attendance Tracker with support from their form tutor

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

- 6.1.1 The Principal will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Principal's discretion, including the length of time the student is authorised to be absent for.
- 6.1.2 The College considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.
- 6.1.3 Any request should be submitted as soon as it is anticipated. A Leave of Absence request form can be obtained from Student Services. The Principal may require evidence to support any request for leave of absence.

6.1.4 Valid reasons for **authorised absence** may include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance where the day is exclusively set apart for religious observance by the religious body to which the student's parent/carers belong. If necessary, the College will seek advice from the parent/carers' religious body to confirm whether the day is set apart.
- Traveller students travelling for occupational purposes this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the College, but it is not known whether the student is attending educational provision.

6.2 Holiday Absence in Term Time

- 6.2.1 Parent/carers do not have the right to take their child out of College for holidays. Such holidays will be counted as an unauthorised absence, other than in exceptional circumstances.
- 6.2.2 If a parent/carer feels there are exceptional circumstances that support a request for leave of absence in term time, they must put the request in writing to the Principal. Each case will be considered individually and the decision communicated to the parents/carers.
- 6.2.3 Where 5 consecutive days or more holiday are taken without the Principal's authorisation, cases will be referred to the Local Authority for the issuing of a Penalty Notice (fine).
- 6.2.4 If the Local Authority takes action, an initial fixed penalty notice of £60 is issued to each parent/carer for each child. The monies collected do not go to the College.

6.3 Children missing in education

- 6.3.1 Where a child is not attending College, has moved without a forwarding address or school, or cannot be traced, or contact cannot be made with the parent/carer, the College is required to inform the Local Authority that the child is missing.
- 6.3.2 The College will carry out a home visit and refer the family to social care and the police to ensure any concerns for the child's welfare have been thoroughly investigated.
- 6.3.3 The student will not be removed from the College roll until notified by the Local Authority that their enquiries are complete.
- 6.3.4 A referral will be made to Local Authority if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate), at which point the child will be considered to be "missing from education."

6.4 Home Education

6.4.1 Parents/carers have a right to educate their children at home. If a parent/carer wishes to withdraw their child from school to pursue this option, this decision must be put in writing to the Principal stating 'a decision to electively home educate'. The College will then inform the Local Authority. The child will not be removed from the College roll until notification from the Local Authority is received, at which point parents/carers will be informed by the College that their child has been removed from the College roll.

6.5 Legal sanctions

- 6.5.1 The Local Authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.
- 6.5.2 If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the Local Authority and no funds are received by the College. If the payment has not been made after 28 days, the Local Authority will decide whether to prosecute or withdraw the notice.
- 6.5.3 Penalty notices can be issued by the Local Authority officer or the police.
- 6.5.4 The decision on whether or not to issue a penalty notice may take into account:
 - The number of unauthorised absences occurring within a rolling academic year
 - One-off instances of irregular attendance, such as holidays taken in term time without permission
 - Where a suspended student is found in a public place during school hours without a justifiable reason

7. College Attendance Monitoring

7.1 Procedural Overview

High Expectations

The College will expect high standards of attendance from all students and parents/carers and build a culture where all can, and want to, be in College and ready to learn by prioritising attendance improvement across the College.

Monitoring

The College will rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

Listen and understand

When a pattern is spotted, the appropriate College staff will discuss with students and parents and carers to listen to understand barriers to attendance and agree how all partners can work together to resolve them.

• Facilitate support

The College will aim to remove barriers in school and help students and parents and carers to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

• Formalise support

Where absence persists and voluntary support is not working or not being engaged with, the College will work with local partners to explain the consequences clearly and will ensure support is also in place to enable families to respond.

Enforce

Where all other avenues have been exhausted and support is not working or not being engaged with, the College will enforce attendance through statutory intervention or prosecution to protect the student's right to an education.

7.2 Monitoring attendance

7.2.1 The College will:

- Monitor attendance at student level daily and produce absence data termly and yearly across the school and at an individual student level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- 7.2.2 Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases including FFT data.
- 7.2.3 The underlying school-level absence data is published alongside the national statistics. The College will compare attendance data to the national average, and share this with the Governing Body on a termly basis.

7.3 College Attendance Monitoring

- 7.3.1 The College will listen and understand and facilitate support (see section 7.1) prior to any formal procedures being implemented.
- 7.3.2 Students may be subject to a formal attendance monitoring process for any of the following: where attendance falls **below 96%**; where there are a high number of frequent absences each

term; where there are frequent minor medical absences; or where a student is persistently late.

7.3.3 The following steps will be initiated:

Voluntary Support

Pre-Persistent Absentees Letter - Threshold at 97%

Parents and carers who have a child who has been a persistent absentee previously (ie had 10% or greater absence across a school year) will receive a "Pre-Persistent Absentee" letter when a student's attendance falls below 97%. Parents and carers can contact the Attendance Officer to discuss this and if a support plan is required, it will be started.

• Stage 1: Letter 1 - Attendance Concern Letter

Parent and carers will receive a Stage 1 Letter when a student's attendance falls below 96%. Parents and carers can contact the Attendance Officer to discuss this and if a support plan is required, it will be started

Formal Support

• Stage 2: Letter 2 - Attendance Support Plan (ASP)

If there is no improvement following the Stage 1 letter, parent and carers will be requested to attend an Attendance Support Plan meeting with a member of the Attendance Team. The meeting will be an opportunity to identify barriers to securing good attendance and offer support. An improvement target will be set over a monitored period of 2 weeks.

Stage 3: Letter 3 - Parent/Carers Contract Meetings (PCM)

If no improvement is recorded in spite of the ASP process, parent and carers will be requested to attend a Parent Contract Meeting with the Attendance Officer to discuss further strategies to improve attendance and identify barriers. An improvement target will be set over a monitored period of 4 weeks will be set.

If parents and carers fail to attend the scheduled attendance monitoring meetings, the meetings will take place in their absence, with the student, to ensure a support plan is put in place and the monitoring period will commence. The Local Authority will take account of any lack of parental engagement if the process reaches the stage of legal proceedings.

Attendance Prosecution

• Stage 4: Refer to North Northamptonshire Council

If attendance has not improved or there is a decrease in attendance, legal proceedings will be initiated in the form of a Penalty Notice or Referral to Local Authority for Prosecution.

7.4 Analysing attendance

7.4.1 The College will:

- Analyse attendance and absence data regularly to identify students or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.5 Using data to improve attendance

7.5.1 The College will:

- Provide regular attendance reports to form tutors, house leaders and other College leaders/appropriate non-teaching staff to facilitate discussions with students and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.6 Reducing persistent and severe absence

7.6.1 Persistent absence is defined as when a student misses 10% or more of school sessions, and severe absence is when a student misses 50% or more of school.

7.6.2 The College will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of students who the College (and/or Local Authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to good attendance

8. Working with Local Partners

- The College will work collaboratively with the local authority and local schools to share best practice and effective strategies
- The College will proactivity work with Primary partner schools to initial early help and support where required

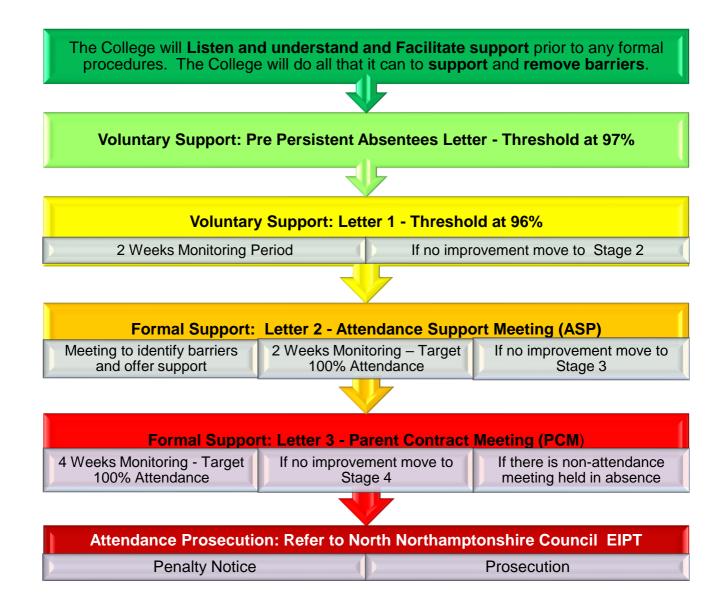

9. Monitoring arrangements

9.1 This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the designated senior leader for attendance. At every review, the policy will be approved by the full governing body.

10. Links with other policies

- 10.1. This policy links to the following policies:
 - Child Protection and Safeguarding Policy
 - Behaviour for Learning, including Anti-Bullying Policy
 - Supporting Students with Medical Conditions Policy
 - Children with Health Needs Who Cannot Attend School Policy

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support.	Proactively use data to identify pupils at risk of poor attendance. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. Act as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Hold a termly conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, facilitate a voluntary early help assessment where appropriate. Take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner where all partners agree that a local authority service is best placed to lead. Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:

Continued support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continued support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including parenting contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Continued support as for persistenly absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continued support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Maintain the same ambition for attendance and work with pupils and parents to maximise attendance. Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed. Consider additional support from wider services and external partners, making timely referrals. Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.	1	Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families. Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.
