

## TEACHER OF SCIENCE (TMS)

**Full Time**

**Required for September 2026**

*Ofsted April 2023:*

*Pupils are happy to attend this school. The school's values include honesty, excellence, ambition, respect and teamwork. The school's culture is rooted in these values. There are positive relationships between staff and pupils. Staff have high expectations, and pupils live up to these.*

*Staff are proud to work at the school. They feel well supported by leaders in respect of workload, well-being and managing pupils' behaviour. Staff value the professional development they receive.*

This is a fantastic school to work in. Staff morale and retention are high due to the supportive team ethos amongst all staff, our wonderful students and amazing facilities. As a result of our success and popularity we are over-subscribed and have a very positive local reputation. Opportunities to join Latimer are rare but due to 2 years of an increased PAN we are in a position to recruit to the team.

We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice. This was very much recognised in our most recent Ofsted Inspection, where we sustained our Good rating. We offer weekly work from home sessions for full time teachers and a comprehensive induction programme.

If you are an outstanding teacher it really is worth applying for this post. We are seeking to appoint a candidate who is passionate about Science; a team player who will thrive on collaboration and teamwork; someone who really wants to make a difference!

We welcome applications from ECTs and we run a highly supportive and successful Early Career Framework programme. If you are a trainee and looking for a post from September 2026, we would love to hear from you.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.

The Latimer Arts College values the diversity of our workforce and welcomes applications from all sectors of the community.

For an application form and further details, please visit the [teaching vacancies](#) page on our [website](#). Alternatively, please email [vacancies@latimer.org.uk](mailto:vacancies@latimer.org.uk)

**Closing Date: 9.00 am Monday 19 January 2026**

*Early applications are encouraged as we will review applications as we receive them; and applicants may be contacted before the closing date.*
