

Key Stage 5 (Year 12) Curriculum Evening
Wednesday 19th September 2018 6pm-8pm

Dear Parents/Carers

We are very pleased that your daughter/son has decided to continue their studies in the Sixth Form at The Latimer Arts College. In order to work in partnership to ensure that they achieve success at Key Stage 5, we would like to invite you to attend our Key Stage 5 Curriculum Evening.

This evening will provide you with a chance to be introduced to some of the content of each Level 3 subject, the types of skills required on individual courses and will also give you an idea of the expectations and demands of Sixth Form study.

Throughout the evening there will be four workshops to attend, which will be scheduled on a carousel basis:

- An Introduction to 'Unifrog': an online platform that updates young people about opportunities after Sixth Form study
- Post 18 Progression routes: informative presentation about Higher Education after Sixth Form study
- Study Skills
- Tutoring and Personal Development

This programme is part of the support that we offer to parents and carers at The Latimer Arts College to ensure that the transition into the Sixth Form is a successful one for your child. Students are not expected to attend. We would be grateful if you could return the reply slip below or email Miss Magee at smagee@latimer.org.uk by **Friday 14th September 2018** so that groups for the evening can be arranged.

I look forward to meeting you on the evening.

Yours sincerely

Miss Kerry Gallon
Assistant Principal: Sixth Form
