**TEACHER OF BUSINESS STUDIES
TMS**

Would you like to be part of a school recently confirmed as GOOD by Ofsted (April 2023)?

Pupils are happy to attend this school. The school's values include honesty, excellence, ambition, respect and teamwork. The school's culture is rooted in these values. There are positive relationships between staff and pupils. Staff have high expectations, and pupils live up to these.

Staff are proud to work at the school. They feel well supported by leaders in respect of workload, well-being and managing pupils' behaviour. Staff value the professional development they receive.

If so, then you will not want to miss out on this opportunity to be appointed as a Teacher of Business Studies at our high-performing school!

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong positive reputation. On interview we ask candidates for their impressions of the school and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly and welcoming the school is.

We are a tight-knit unit striving for the very best for our students and we are focussed on, and passionate about, learning and success. We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice.

If you are an outstanding Business Studies teacher it really is worth applying for this post. We are seeking to appoint a candidate who is passionate about their subject area; a team player who will thrive on collaboration and team-work; someone who really wants to make a difference!

We are primarily looking for an applicant who can teach Business at KS4 and KS5. The ability to teach IT or Media would also be of interest to us.

We welcome applications from ECTs and we run a highly supportive and successful ECF programme. If you are a trainee and looking for a post from September 2024, we would love to hear from you.

The successful applicant will be joining a good school at a time when we are the best that we have ever been – and we are going to be even better!

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.

The Latimer Arts College values the diversity of our workforce and welcomes applications from all sectors of the community.
