Would you like to be part of a school recently confirmed as GOOD by Ofsted (April 2023)?

*Pupils are happy to attend this school. The school's values include honesty, excellence, ambition, respect and teamwork. The school's culture is rooted in these values. There are positive relationships between staff and pupils. Staff have high expectations, and pupils live up to these.*

*Staff are proud to work at the school. They feel well supported by leaders in respect of workload, well-being and managing pupils' behaviour. Staff value the professional development they receive.*

If so, then you will not want to miss out on this opportunity to be appointed as a Teacher of Computing / IT at our high-performing school!

If you are an outstanding Computing / IT teacher it really is worth applying for this post. We are seeking to appoint a candidate who is passionate about their subject area; a team player who will thrive on collaboration and team-work; someone who really wants to make a difference!

We are primarily looking for an applicant who can teach Computing / IT at all key stages, however, the ability to also teach Business Studies or Media would be of interest to us and there is scope for a TLR for the right candidate.

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong positive reputation. On interview we ask candidates for their impressions of the school and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly and welcoming the school is.

We are a tight-knit unit striving for the very best for our students and we are focussed on, and passionate about, learning and success. We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice.

We welcome applications from ECTs and we run a highly supportive and successful ECF programme. If you are a trainee and looking for a post from September 2024, we would love to hear from you.
