

**Key Stage 4 Curriculum Evening (Year 9)**  
**Wednesday 26<sup>th</sup> September 2018 6pm-8pm**

Dear Parents/Carers,

We would like to invite you to attend our Key Stage 4 Curriculum Evening on Wednesday 26<sup>th</sup> September 2018.

This evening will introduce you to some of the key subject content and material that your child will cover over their Key Stage 4 education along with giving you an opportunity to look at some study skills that we will use throughout the courses that should support your child to be successful.

Throughout the evening there will be two workshops to attend, which will be scheduled on a carousel basis:

- **Subject Showcase:** This will provide an invaluable opportunity to visit GCSE subject stalls and speak to staff about any subject related questions you may have about the course content and how you can support your child. Staff will also share subject specific information material from each of your child's chosen subjects for you to refer to at home.
- **'Ace Your Exams': 'Mad4Life'**, one of the country's leading revision techniques and memory experts, will deliver a study skills workshop. Practical techniques will be shared with you to aid study and revision at home.

This programme is part of the support that we offer to parents and carers at The Latimer Arts College to ensure that your child is successful in their GCSE studies. Students are not expected to attend and unfortunately, due to space restrictions, we would not be able to accommodate them on the evening.

We would be grateful if you could confirm your attendance by returning the reply slip below or email Mrs Shore, Pastoral Administrative Assistant, at [lshore@latimer.org.uk](mailto:lshore@latimer.org.uk) by **Friday 14<sup>th</sup> September 2018** so that groups for the evening can be arranged.

We look forward to meeting you again and to working in partnership with you during these vital examination years.

Yours sincerely,

Mr T McGuire  
Achievement Team Leader
