Dear Parents and Carers

I am writing to inform you about an incident that has been brought to our attention, which took place near the Tesco Express on London Road earlier this week.

A student from a local secondary school has reported being approached by a stranger who grabbed/touched them in an inappropriate manner.

The incident has been reported to the Police.

At this time, we would be grateful if you could remind your children about being extra vigilant when travelling to and from school, not to approach any unknown adults, and to report any concerns to either you or the College.

It is recommended that all parents and carers remind their child of "stranger danger" and how to keep themselves safe if they are out alone. Some useful information is available on the NSPCC website [www.nspcc.org.uk](http://www.nspcc.org.uk).

Yours sincerely
