

Curriculum Offer 2023

Students are required to choose three subjects to study.

All subject preferences and courses are provisional. Courses will only run where student numbers are sufficient.

Block A	Block B	Block C	Block D
Biology	Art & Design	Criminology (Applied)	English Literature
Computer Science	Business (BTEC)	Geography	Maths
Maths	Chemistry	History	Philosophy & Ethics
Media (BTEC)	French	Physics	Physical Education
Politics	Music		
Sociology	Psychology		

Further Maths may be available as an additional option for students achieving Grade 8 at GCSE Maths.

The Extended Project Qualification (EPQ) will also be an additional option for students as part of our extended curriculum offer.

We will consider applications for 4 A levels for students with exceptional academic ability on an individual basis.

Wherever possible we will try to accommodate subject requests, but cannot guarantee this. If you desire a subject combination that is not possible above, please indicate this on your application.
