

GCSE Geography

Method of Assessment

There are three assessments at the end of the two-year course;

Paper 1 and 2 are both worth 37.5% each and paper 3 is worth 25% of the total GCSE:

Paper 1: Global Geographical Issues

Paper 2: UK Geographical Issues

Paper 3: People and Environment Issues

How can I help as a parent/carer?

1. Talk to your child about what they are learning. Ask them to explain why something is the way it is. PEE paragraphs when writing.
2. Test them on Geographical terminology – can they use it in a sentence?
3. Encourage or support with watching programmes or “seeing” the Geography in real life. Watch the news! #Geogglebox posted on twitter.
4. Remind them to use GCSE Pod or BBC Bitesize for chunked revision tasks.
