

The Latimer Arts College Year 7 English and Maths Catch-Up Premium 2019 to 2020

Summary information			
School	The Latimer Arts College		
Academic Year	2019-2020	Total Catch-Up budget	£ 15,000 (approx.)
College targets for improving outcomes for Year 7 English and Maths catch-up students			
All students who follow the Ignite (literacy) programme and/or Maths Secondary Ready programme (numeracy) in Years 7 make accelerated progress that brings them in line with expected progress for their age.			
NB. This plan should be linked to our Pupil Premium plan where student meet both criteria.			
Planned expenditure			
Strategy	Action Points		Cost
Raise Literacy and Numeracy Standards through:	<ul style="list-style-type: none">Embed the 'Ignite' (literacy) programme in KS3 to target students who enter the college below national expectationsIntroduce an additional Maths set in Year 7 so that the Secondary Ready Maths curriculum can be implementedDeliver the Accelerated Reader Programme and DEAR programme in Years 7Embed a weekly tutor time literacy session, Vocab Gurus, and numeracy session, Numeracy Ninja's session as part of the Personal Development Programme.		£15,000 from specific programme funding plus additional funding from the college's budget
Review and analysis of impact September 2020:			
The Assistant Principal who is the lead in literacy and numeracy will monitor the impact of the above strategies throughout the academic year, making any required changes or adaptations.			
A review of the impact of these strategies will be made in September 2020.
