Year 12 Seneca Student Guide

Please visit Seneca and register with it – please note that it will not work with some Internet browsers!

Once you have joined, the first job is to add the courses you are studying.

To do this you need to click first on courses and then add course.

米 seneca		Home	Courses	Classes & assignments	stephen 🔻
	Your courses Add course				
	Q Search for a course				

You are able to add courses to your Seneca learning. When you add a course you will see a range of options like below:

0	Searc	h for a	course				
ners St	Clear	si(1)					
Price	٠	>					
Age Group		>	11+ Comprehension		11+ Maths	1	11+ Non-Verbal Reasoning
Subject		>		10 0			
Туре		>	11+ Verbal Reasoning		Assessment for Teachers - Seneco Certified Assessor	13	Biology: AQA A Level
Exam Board		>	-	ACCURATE		1000	A A CO
Tier		>	Biology: AQA GCSE	400	Biology: AQA GCSE Foundation - Diognostic	2	Biology: AQA GCSE Foundation - Standardised

Please <u>choose carefully</u> from the list as the exam boards are all slightly different and have slightly different options

Joining a class and completing assignments

It may be that your teacher will ask you to join a class. To do this you will be sent a code to add. To join the class, you need to simply type the code in the box.

First click the classes and assignment box

Then click join class.

Classes Assignments	Invite a teacher	Join class	

Now add the code your teacher has sent you

Any assignments your teacher sets you will appear in the assignments list here:
