

Future Destinations Evening (Year 11)
Thursday 31 January 2019 6pm – 7.30pm

Dear Parents/Carers

We would like to invite you and your child to attend our new '*Future Destinations*' evening on Thursday 31st January in the Masque Theatre.

Our aim for this evening is to give you and your child an overview of options post-18: to raise greater awareness; to perhaps dispel some myths; and hopefully to give reassurance about the pathways that are available. It is hoped that by helping both you and your child to understand more about future options now, it will help with preparations, in advance of your child commencing their Sixth Form studies.

Throughout the evening there will be four sessions:

Universities: How are they different?
What do we mean by Russell Group and Oxbridge?
What is UCAS?
And where do you start with a university application?

Degree and Higher Apprenticeships: An overview of an alternative route to University

Student Finance and Funding

Preparation for destinations: What do you need to do now to prepare for the future?

This programme is part of the support that we offer to students, parents and carers at The Latimer Arts College to ensure that the transition into future pathways is a successful one for your child. Therefore, students are encouraged to attend the evening.

We would be grateful if you could return the reply slip below or email Miss Magee at smagee@latimer.org.uk by **Friday 18th January 2019** to confirm your attendance.

I look forward to meeting you on the evening.

Yours sincerely

Miss Kerry Gallon
