Dear Parents/Carers,

We are writing to invite you to attend our 'Ready, Set, Go' information evening on Tuesday 10 September 2019.

This evening will introduce you to some of the key areas that we feel will be essential in supporting your child and allowing them to be successful in the Key Stage 3 curriculum.

Throughout the evening there will be three workshops to attend, which will be scheduled on a carousel basis. Please note that we have a number of changes to our systems this year and so if you have attended similar evenings before there will be new content covered.

- **English and Maths: Dispelling the myths** – an opportunity to look at the KS3 curriculum for these subjects with members of our English and Maths team. An overview of the year ahead in these subjects with some tips on how to support your child at home.
- **Supporting your child's learning: Assessment, feedback and closing the gap** – an opportunity to look at the way in which your child will be assessed, how we will feedback on progress and effort and the methods we use to close the gap between working grades and target grades.
- **Supporting your child's development** – an opportunity to discuss the role of our form tutors and personal development programme as well as a presentation that focusses on how online resources can maximise achievement.

We will showcase the apps and programmes that will be used to support your child's progress at The Latimer Arts College. We will also give you the electronic log in details you will require for our online applications such as Epraise and Show My Homework.

During part of the evening we require all parents/carers to complete essential contact information for your child. We would appreciate it if you could complete these before you leave.

This programme is part of the support that we offer to parents and carers at The Latimer Arts College to ensure that Key Stage 3 creates a firm foundation for future successful your child. Students are not expected to attend.

We would be grateful if you could confirm your attendance by emailing Mrs Shore: Lshore@latimer.org.uk by **Friday 6 September 2019** so that groups for the evening can be arranged.

In the email please indicate the Subject as: '**Ready, Set, Go Evening**' and in the email, please include your child's name.

We look forward to meeting you at the evening.
