At Latimer, you will be moving around to different classrooms for different lessons. You could be in 5 classrooms in one day. This means that you need to bring all the equipment you will require with you for the day. Below are some items you will need to bring – can you identify them and add anything else? You will need a **RED** pen for peer and self assessment. We only use **Black** pens to write with in class.

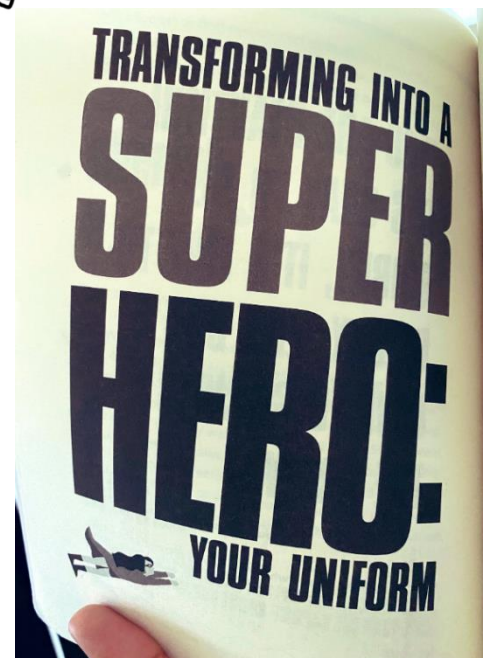

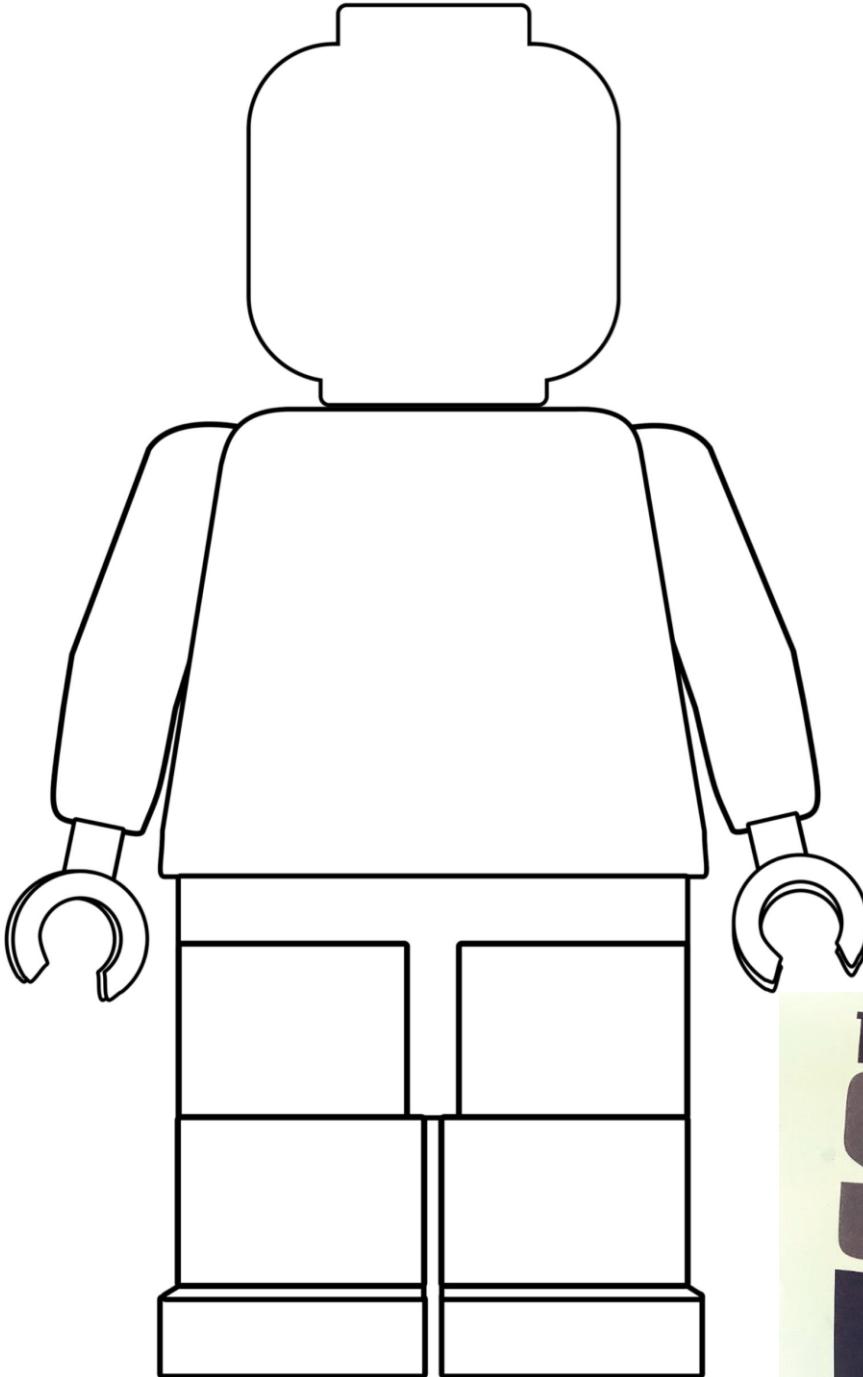

Add in your own here:

UNIFORM

One of the different things about moving to secondary school is the change in what you will wear. We pride ourselves in looking smart and professional at all times. Have a look at the pictures of our Latimer students to draw and label the school uniform you will wear onto the Lego figure.

Be sure to have your uniform for Latimer and PE and Dance/Drama.

Fancy a challenge? Choose one of the six options below

1

Write a letter to the reception children starting at your old primary school. Tell them the best things about the school and what they have to look forward to during their time there. Be sure to leave it with your year 6 teacher.

2

Create a powerful speech on something you feel passionate about. It might be a local issue, something global or a topic relevant to you.

3

Write a letter to your future self. You could put it somewhere safe to open in a year's time.
What is happening right now?
How do you feel about it all?
What are your biggest hopes and fears about moving school?

4

Write your own autobiography. You might include:
When and where you were born
Important events in your life and how they made you into the person you are now
Things you would have done differently, if you had the chance
What your hopes are for the future.

5

'I am' poem: you will be meeting a lot of new people and friends when starting secondary school. Write an 'I am' poem to introduce yourself. It should be a minimum of 5 lines and a maximum of 10. e.g.
I am excited to see my friends
I am nervous about the different lessons
I am worried about finding my way around
I am looking forward to new subjects
I am going to take part in sport

6
