Year 7   Unit 1 E Safety   8 Lessons

Aims: This unit of work is designed to introduce students to issues they may experience online, making them aware of safe practices and potential consequences. It will also develop students skills within PowerPoint, in order to develop effective presentations employing a range of features appropriate for the audience's needs.

Links to KS4:

Collection of Information (Business, ICT and Media)
Planning (BTEC ICT graphics and spreadsheet)
