

## Our Student Achievement

At The Latimer Arts College, we believe in encouraging students to aspire for the highest possible academic achievement. We believe in the value of examinations as the 'passport' for accessing higher education or training and a wider choice of careers.

### GCSE and Level 2 Performance Measures

Schools are currently judged on the following measures:

**Student Progress (Progress 8):** the average progress made by students in 8 subjects, with Maths and English progress having a double weighting. This is reported as a number which compares the progress made by students at the school, to the national progress made by similar students. A score above 0 means students at the school are making better progress than the national average.

**Student Attainment (Attainment 8):** the best grades students achieve in 8 subjects. This is reported as a number, which adds the scores of the best 8 grades achieved by each student. This is compared to the score achieved by all students nationally, and takes no account of their starting point.

### GCSE and Level 2 Performance (based on provisional results)

In 2024 students at The Latimer Arts College made **above expected progress**, with our results putting us in the top 30% of schools nationally. Our progress score was **+0.3**. This progress score reflects the same level of **above average** results for Year 11 students in 2017, 2018, 2019, and 2023 (2020-2022 were not reported due to Covid).

In 2024 the Attainment 8 score for students at The Latimer Arts College was 45.1 points, in-line with national data.

In 2024 67% of students achieved at least a grade 4 in both English and Maths, with 36% achieving a grade 5 in both these subjects.

#### 2024 Progress 8 Score

#### Attainment 8 score

*NB. Data for 2024 is **provisional**, subject to the official publication of national results (October 2024).*

### A Level and BTEC Level 3 Performance

In 2024 we continued with our high student achievement from 2023.

24% of all grades were A\*/A with 48% being grade A\*-B and 83% being A\*-C.

50% of BTEC grades were Distinction \* or Distinction.

We believe students achieve highly due to excellent, expert teaching, good attitudes to learning and being highly motivated, happy students.
