

October 2024

An Invitation to The Latimer Arts College *'Sixth Form Open Evening'* 2024

Dear prospective students

On completion of Year 11, all young people should remain in education or work-based training and so you are entering a time, when once again you are having to make some important decisions about your next steps.

As part of our support for you at this important time, we would like to invite you to attend our Sixth Form Open Evening on **Wednesday 6th November 2024**, where we would be delighted to show you the fantastic range of opportunities that are on offer at The Latimer Arts College for post-16 students.

We are a vibrant and growing learning community, continually building on our successes. We are especially proud of the achievements of our Sixth Form students, and with the imminent opening of our new Sixth Form Centre, there has never been a better time to pursue Level 3 qualifications here. This success is as a result of our high expectations, our positive and purposeful learning environment and the dedicated care and support that we give our students.

We would love you to come and find out more!

Showcasing our Sixth Form Pathways Programme

There will be a range of activities on the evening, all of which are designed to support you to make informed choices:

Registration: This will take place from 6.00pm in the Masque Foyer, you will then be invited to our formal presentation that will take place in our Masque Theatre.

Presentation: This short presentation will give you an overview of our provision; outline why we believe our Sixth Form should be your top choice, should you wish to study Level 3 qualifications; and give an overview of our **proposed*** curriculum offer.

We would like to invite you to attend the formal presentation at 6.15pm and it is anticipated that this presentation will last for approximately 20 minutes. This presentation is likely to be busy and seats will be allocated on arrival.

Subject Showcases:

Following your attendance to our presentation, you are invited to visit the subject showcases.

Each subject that we offer at post-16 will have a subject stall on the evening that will provide an opportunity for you to talk informally to subject leaders and current Sixth Form students about specific course content, entry requirements and future career opportunities that studying each individual subject can provide.

These subject showcases will be distributed throughout our Masque Theatre area and Maths learning centre; our student ambassadors will provide guidance for you on the evening.

Careers and Curriculum Advice: During the evening, you are welcome to speak to our Independent Careers Advisor about post-18 options and how these may impact your choices for Sixth Form study. Our advisor, Mrs Stanbridge, will be based in the Maths Learning Centre from 6.00pm onwards.

To support you in advance of the evening, please find the [link](#) to our Sixth Form area on our school website where you will find our prospectus, course guide and various **potential*** pathways available this year. All details for specific subjects can also be viewed in our Sixth Form Prospectus which will be available on the evening.

We very much look forward to welcoming you on the **Wednesday 6th November 2024 from 6.00pm** and we hope that you will find this evening and the information provided in our prospectus useful and informative.

Yours sincerely

Miss Kerry Gallon
Assistant Principal

(*Awaiting Government confirmation of Level 3 qualifications in December)
