

Curriculum Offer 2025

Students are required to choose **three** subjects to study.

All subject preferences and courses are provisional. Courses will only run where student numbers are sufficient.

Block A	Block B	Block C	Block D
Biology	Business (BTEC)	Geography	Art & Design
Media (BTEC)	Chemistry	History	Criminology (Applied)
Music	English Language	Information Technology (BTEC)	English Literature
Product Design	French	PE	Maths
Sociology	Health & Social Care (BTEC)	Performing Arts (BTEC)	Philosophy & Ethics
Sport (BTEC)	Politics	Physics	
	Psychology		

Further Maths will be available as an additional option for students achieving Grade 8 at GCSE Maths.

The Extended Project Qualification (EPQ) will also be an additional option for students meeting requirements, as part of our extended curriculum offer.

We will consider applications for 4 A levels for students with exceptional academic ability on an individual basis.

Wherever possible we will try to accommodate subject requests but cannot guarantee this. If you desire a subject combination that is not possible above, please indicate this on your application.
