

October 2025

An Invitation to The Latimer Arts College

'Sixth Form Open Evening' Wednesday 5th November 2025 – 6pm to 8pm

Dear prospective students

On completion of Year 11, all young people should remain in education or work-based training and so you are entering a time, when once again you are having to make some important decisions about your next steps.

As part of our support for you at this important time, we would like to invite you to attend our Sixth Form Open Evening on **Wednesday 5th November 2025**, where we would be delighted to show you the fantastic range of opportunities that are on offer at The Latimer Arts College for post-16 students.

We are a vibrant and growing learning community, continually building on our successes. We are especially proud of the achievements of our Sixth Form students, and with the recent opening of our new Sixth Form Centre, there has never been a better time to pursue Level 3 qualifications here. This success is as a result of our high expectations, our positive and purposeful learning environment and the dedicated care and support that we give our students.

We would love you to come and find out more!

Showcasing our Sixth Form Pathways Programme

There will be a range of activities on the evening, all of which are designed to support you to make informed choices:

Registration: You will be invited to scan our QR code to register when you arrive on site and to collect our Sixth Form Flyer from the foyer of the Masque Theatre.

Presentation: We would like to invite you to choose to attend one of the formal presentations at either **6pm or 7pm**. It is anticipated that each presentation will last for approximately 20 minutes and will give you an overview of our provision; outline why we believe our Sixth Form should be your top choice, should you wish to study Level 3 qualifications; and give an overview of our **proposed*** curriculum offer.

[Sign up here to secure your seats in our 6pm presentation.](#)

[Sign up here to secure your seats in our 7pm presentation.](#)

Subject Showcases 6-8pm: You are invited to visit our subject showcase. Each subject that we offer at post-16 will have a subject stall on the evening that will provide an opportunity for you to talk informally to subject leaders and current Sixth Form students about specific course content, entry requirements and future career opportunities that studying each individual subject can provide.

These subject showcases will be distributed throughout our Masque Theatre area and Maths learning centre; our student ambassadors will provide guidance for you on the evening.

Sixth Form Centre & Café 6-8pm: You are invited to come and look around our Sixth Form Centre & Café to see where you might be studying over the next two years. Student ambassadors will be on hand to guide you through each area and resources that are available to you. Refreshments will be available for purchase on the evening.

Careers and Curriculum Advice: During the evening, you are welcome to speak to our Independent Careers Advisor about post-18 options and how these may impact your choices for Sixth Form study. Our advisor, Mrs Stanbridge, will be based in the Sixth Form Centre from **6pm until 7:45pm**.

To support you in advance of the evening, please find the [link](#) to our Sixth Form area on our school website where you will find our prospectus, course guide and various **potential*** pathways available this year. All details for specific subjects can also be viewed in our online Sixth Form Prospectus.

We very much look forward to welcoming you on the **Wednesday 5th November 2025 between 6pm & 7pm** and we hope that you will find this evening and the information provided in our prospectus useful and informative.

Yours sincerely

Miss Kerry Gallon
Assistant Principal
