

# Curriculum Offer 2024

Students are required to choose **three** subjects to study.

***All subject preferences and courses are provisional. Courses will only run where student numbers are sufficient.***

Block A	Block B	Block C	Block D
Biology	Business (BTEC)	Art & Design	English Literature
Computer Science	Chemistry	Criminology (Applied)	Maths
French	English Language	Geography	Music
Media (BTEC)	PE	History	Philosophy & Ethics
Performing Arts (BTEC)	Politics	Information Technology (BTEC)	Sport (BTEC)
Product Design	Psychology	Physics	
Sociology			

**Further Maths will be available as an additional option for students achieving Grade 8 at GCSE Maths.**

**The Extended Project Qualification (EPQ) will also be an additional option for students meeting requirements, as part of our extended curriculum offer.**

We will consider applications for 4 A levels for students with exceptional academic ability on an individual basis.

Wherever possible we will try to accommodate subject requests but cannot guarantee this. If you desire a subject combination that is not possible above, please indicate this on your application.
