Curriculum Offer 2026

Students are required to choose **three** subjects to study.

All subject preferences and courses are provisional. Courses will only run where student numbers are sufficient.

Block A	Block B	Block C	Block D
Biology	Chemistry	History	Art & Design
English Literature	French	Maths	Music
Geography	Politics	Product Design	Philosophy & Ethics
Performing Arts (BTEC)	Sociology	Psychology	Physics
Single Award Sport (BTEC)	Creative Digital Media (BTEC)	Business (BTEC)	Criminology (Applied)
	Information Technology (BTEC)	Health & Social Care (BTEC)	

Further Maths will be available as an additional option for students achieving Grade 8 at GCSE Maths.

The Extended Project Qualification (EPQ) will also be an additional option for students meeting requirements, as part of our extended curriculum offer.

We will consider applications for 4 A levels for students with exceptional academic ability on an individual basis.

Wherever possible we will try to accommodate subject requests but cannot guarantee this. If you desire a subject combination that is not possible above, please indicate this on your application.
