

## SUBJECT INFORMATION PACK

### Subject Leader: Geography

(known as Assistant  
Progress Leader)

### Join an outstanding team!

#### Our Team

The successful applicant will be joining a thriving department which is going from strength to strength. The Geography team work collaboratively within the Humanities Faculty who aim to offer an outstanding curriculum to all of our students. The Humanities Faculty work as a team to ensure our students receive 'good' to 'outstanding' lessons.

We are seeking to appoint a Subject Leader for Geography, who will be known as an Assistant Progress Leader. The role is responsible for student outcomes of KS3—KS5 Geography. After a period of growth, with growing numbers of students opting for GCSE and A Level Geography, our students are achieving positive progress at GCSE and outstanding results at A Level.

Humanities outcomes are some of the best in the College, but we aspire to deliver even greater success for our students! We are looking for a passionate and creative teacher who works collaboratively, shares resources and wants to join us on our mission to be the best that we can be. The role will demand an outstanding and innovative Geographer to lead the Geography department in our quest.

#### Our Curriculum

Geography is one of four subjects within the Humanities Faculty, alongside History Sociology and Religious Studies. Geography is currently taught in mixed ability groups in Year 7 and Year 8. This allows all of our students to thrive and grow an interest in the subject. Significant numbers of students opt to take GCSE Geography due to its popularity. The department currently teaches Edexcel GCSE and A Level where our students have enjoyed great success.

We are committed to planning and delivering 'good' and 'outstanding' lessons for our students, and so our curriculum is designed to engage, motivate and create a love of Geography. The Humanities Faculty are pro-active practitioners who believe in life-long learning; we engage in pedagogical research to ensure we deliver a relevant and exciting curriculum for all.

#### Enrichment

Our enrichment provision is growing!

Across the Faculty there are opportunities for students to learn outside of the classroom. We believe that learning should not be restricted to simply taking place inside of the classroom. We currently run:

- Year 7 students enjoy a day trip to Warwick Castle
- Year 8 visit the Black Country Museum
- Year 10 Geography fieldwork
- Year 9 / 10 students visit Berlin
- Year 11 students experience Rome
- Year 12 Geography students complete fieldwork by the coast
- Year 13 Geographers have experienced a range of residential visits including Naples and in Oct 2019 they have the opportunity to visit Iceland

#### Our Facilities

We are well-resourced. All staff are roomed in the Humanities Faculty with the majority of teaching rooms having an Interactive Whiteboard. All rooms have digital projectors and whiteboards and staff are provided with laptops. There are ICT facilities within the learning centre for student use, including College iPads.

We are proud of the work we do at Latimer and we look forward to meeting someone likeminded. If you share our passion and enthusiasm, we would love you to apply for this post!
