

## **TEACHER OF SCIENCE (TMS)**

**Permanent: Full or Part-time (0.8 FTE)**

**Required from September 2022 or January 2023**

*Would you like to be part of a school where the strengths and talents of students and staff are extremely valued? (Ofsted February 2018)*

*Would you like to work in a school where the culture of being happy and safe means pupils can, and do, enjoy being at school? (Ofsted February 2018)*

*Are you an outstanding teacher with the passion and motivation to inspire young people?*

If so, then you will not want to miss out on the opportunity to be appointed as a Teacher of Science at our high-performing College, where students make progress that is above the national average.

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong positive reputation. On interview we ask candidates for their impressions of the College and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly and welcoming the College is.

We are a tight-knit unit striving for the very best for our students and we are focussed on and passionate about learning.

We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice. This was very much recognised in our most recent Ofsted inspection, where we sustained our Good rating.

If you need any more persuasion to apply, we are the proud owners of a brand new Science Learning Centre: imagine teaching in a brand new, state of the art classroom!

If you are an outstanding teacher it really is worth applying for this post. We are seeking to appoint a candidate who is passionate about engaging our students in the awe and wonder of Science and inspiring them to be inquisitive and curious about the world around them. An ability to teach a specialist Science subject at A Level is desirable, but not essential.

We welcome applications from ECTs and we run a highly supportive and successful Early Career Framework programme. If you are a trainee and looking for a post from September 2022, we would love to hear from you. We also have a strong track record of leadership development and succession planning and would be interested in an ambitious candidate who is keen to progress to leadership in the future.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.

The Latimer Arts College values the diversity of our workforce and welcomes applications from all sectors of the community.

For an application form and further details, please visit the [teaching vacancies](#) page on our [website](#). Alternatively, please email [vacancies@latimer.org.uk](mailto:vacancies@latimer.org.uk)

***Closing Date: 9.00 am on Monday 27 June 2022***

*Early applications are encouraged as we will review applications as we receive them; and applicants may be contacted before the closing date.*
