Teacher of Geography (Part-Time 0.6)

Join an outstanding team!

Our Team

The successful applicant will be joining a thriving department which is going from strength to strength. The Geography team work collaboratively within the Humanities Faculty who aim to offer an outstanding curriculum to all of our students. The Humanities Faculty work as a team to ensure our students receive great learning experiences.

After a period of growth, with growing numbers of students opting for GCSE and A Level Geography, our students are achieving significantly positive progress at GCSE and outstanding results at A Level. We therefore require an additional part-time Teacher of Geography so that we can meet this demand. We welcome applications from ECTs and we run a highly supportive and successful Early Career Framework programme. We also have a strong track record of leadership development and succession planning and would be interested in an ambitious candidate who is keen to progress to leadership in the future.

Humanities outcomes are some of the best in the College, but we aspire to deliver even greater success for our students! We are looking for a passionate and creative teacher who works collaboratively, shares resources and wants to join us on our mission to be the best that we can be.

Our Curriculum

Geography is one of four subjects within the Humanities Faculty, alongside History, Sociology and Religious Studies. Geography is currently taught in mixed ability groups in Year 7 and Year 8. This allows all of our students to thrive and grow an interest in the subject. Significant numbers of students opt to take GCSE Geography due to its popularity. The department currently teaches Edexcel GCSE and A Level where our students have enjoyed great success.

We are committed to planning and delivering outstanding learning experiences for our students, and so our curriculum is designed to engage, motivate and create a love of Geography. The Humanities Faculty are pro-active practitioners who believe in life-long learning; we engage in pedagogical research to ensure we deliver a relevant and exciting curriculum for all.

Enrichment

We passionately believe that learning should not be restricted to simply taking place inside of the classroom. Pre-pandemic our enrichment provision was growing and we were able to provide a range of opportunities for students. In 'normal' times (and we very much hope this academic year will allow!) we run the following events:

- Year 7 day trip to Warwick Castle
- Year 8 visit to the Black Country Museum
- Year 10 Geography fieldwork
- Year 9 / 10 students visit to Berlin
- Year 11 students experience Rome
- Year 12 Geography students complete fieldwork by the coast
- Year 13 Geographers residential visits, these have included Naples and Iceland

Our Facilities

Our learning centre has just undergone a major refurbishment and teachers are able to teach and our students are able to learn in a fantastic environment. We are well-resourced. All staff are roomed in the Humanities Faculty and all rooms have digital projectors and whiteboards and staff are provided with laptops. There are ICT facilities within the learning centre for student use, including College iPads.

We are proud of the work we do at Latimer and we look forward to meeting someone likeminded. If you share our passion and enthusiasm, we would love you to apply for this post!
