

TEACHER OF MATHS (TMS)

Full Time

Required for Easter 2024

Would you like to be part of a school recently confirmed as GOOD by Ofsted (April 2023)?

Pupils are happy to attend this school. The school's values include honesty, excellence, ambition, respect and teamwork. The school's culture is rooted in these values. There are positive relationships between staff and pupils. Staff have high expectations, and pupils live up to these.

Staff are proud to work at the school. They feel well supported by leaders in respect of workload, well-being and managing pupils' behaviour. Staff value the professional development they receive.

If so, then you will not want to miss out on the opportunity to be appointed as a Teacher of Maths at our high-performing College, where students make progress that is above the national average. This post offers a fantastic opportunity for a candidate to teach Maths and Further Maths to A-Level students.

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong local reputation. On interview we ask candidates for their impressions and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly the welcome is.

We are a tight-knit unit striving for the very best for our students and we are focussed on, and passionate about, learning and success.

We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice. We have a strong track record of succession planning and many of our current staff have progressed internally to promoted posts.

If you are an outstanding teacher it really is worth applying for this post. We are seeking to appoint a candidate who is passionate about Maths; a team player who will thrive on collaboration and team work; someone who really wants to make a difference!

We welcome applications from ECTs and we run a highly supportive and successful Early Career Framework programme. If you are a trainee and looking for a post from September 2024, we would love to hear from you. We also have a strong track record of leadership development and succession planning and would be interested in an ambitious candidate who is keen to progress to leadership in the future.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.
