Would you like to work in a school where the culture of being happy and safe means pupils can, and do, enjoy being at school (Ofsted February 2018)

Are you an outstanding teacher with the passion and motivation to inspire young people?

If so, then you will not want to miss out on this golden opportunity of joining our high-performing school as Second in Maths (known as Assistant Progress Leader). The person appointed will have a clear vision of what an outstanding maths provision looks like and have the skills to lead in this area.

We are looking for an outstanding classroom practitioner who is passionate about the subject, hardworking and willing to work collaboratively. The successful candidate will be an ambitious leader who will want to work tirelessly to drive up standards further. A knowledge of a mastery approach and curriculum would be of interest to us.

We can offer the opportunity to teach Further Maths at both GCSE and 'A' level and Maths A Level as well as the opportunity to teach in a newly refurbished Maths Learning Centre. We have a strong track record of succession planning and many of our current leaders have progressed to promoted posts within the College. If you are an outstanding maths teacher aspiring to undertake a leadership role it really is worth applying for this post.

Why come to Latimer? This is a fantastic school to work in: as a result of our success and popularity we are over-subscribed and have a very strong positive reputation. On interview we ask candidates for their impressions of the College and without fail they comment on how wonderful our students are, the supportive team ethos amongst staff and how friendly and welcoming the College is.

We are a tight-knit unit striving for the very best for our students and we are focussed on, and passionate about, learning and success.

We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice. This was very much recognised in our most recent Ofsted Inspection.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post will be subject to an enhanced DBS disclosure.

The Latimer Arts College values the diversity of our workforce and welcomes applications from all sectors of the community.
