# VOCABULARY

- The biggest indicator of success at GCSE is consistently high vocabulary scores over the whole course.
- There are almost 1400 words to revise - we can't do it all in school
- Quizlet has all the lists and also some combined lists.
- Year 10 is when you complete the majority of the vocab learning for the course. Now is the perfect time for a fresh start if you need one!
- Keep a list of the words you didn't know each week
